SHARED PRACTICES, ENABLING SOLUTIONS: THE VALUE OF COLLABORATION

Promoting collaboration and the sharing of approaches, models, methodologies, and best practices to effectively address the challenges and seize the opportunities emerging across the value chain.

Moderated by:

Mauro Sampellegrini (Director of Research, Innovation, and Sustainability, Confindustria Moda)

ADAPTING TO THE CLIMATE CHALLENGE: BUSINESS AT A CROSSROADS

Exploring the two-way relationship between industrial sustainability and competitiveness — how harmful practices accelerate climate change, and how climate impacts, in turn, reshape business performance.

Moderated by:

Andrea Cabrini (Editor, Class CNBC)

THE INNOVATION JOURNEY, PATENTS & TRADEMARKS

Showcasing innovation experiences — from start-up development to the creation of new enterprises — and the protection of intangible assets through trademarks and patents that safeguard the uniqueness of brands and technologies.

Moderated by:

Greenberg Traurig
